Dear Mr. Archer:

I would like to take this opportunity to thank and your band for performing at the 2000 Awards for Excellence in Technology Transfer Banquet. Your band's professionalism and talent helped to make this year's banquet one of the best we've had. Your selection of music was a great complement to the festive atmosphere we hoped to create.

In the weeks since the banquet, a number of people who attended the event have contacted me to say that your band helped to make their evening enjoyable and memorable. We are so pleased with how you entertained our guests that we would be more than happy to make a recommendation to any prospective clients you may have.

Once again, on behalf of the FLC, I want to express thanks for a job well done.

Sincerely,

Michele Chambers

Dear Dave,

Although it has been a week since my wedding I am still reeling from the wonderful time. The music made both the rehearsal dinner at the Peninsula Grill and the reception at the Mills House unforgettable, beautiful evenings for us and our guests. I have gotten nothing but compliments on the music for both evenings. Rick and I were thrilled. You are all very talented and we are happy to have chosen your services. Thank you so much for playing "Unforgettable" for the dance for me and my Dad. I realized at that moment I had neglected to talk about the selection of music for that dance. It just happens to be my Dad's favorite song! It was a beautiful rendition and a dance that I will certainly never forget. Thank you so much.

All best,

Donna Carlisle
